

ELECTRONIC FUND TRANSFERS

YOUR RIGHTS AND RESPONSIBILITIES

This agreement and disclosure is made in compliance with federal law regulating electronic funds transfer (EFT) services. Electronic funds transfers are electronically initiated transfers of money involving an account at the Financial Institution. These disclosures set forth your and our rights and responsibilities concerning the electronic funds transfers. In this agreement, the words “you” and “your” mean those who sign as applicants or any authorized user(s). The words “we”, “us”, and “our” mean the Financial Institution. The abbreviation “PIN” or word “code” means a personal identification number.

Types of Transactions/Transfers: You may use the card and PIN issued to you to pay for purchases from merchants who have agreed to accept the card at Point of Sale (POS) terminals within the networks identified on your card and such other terminals as the Bank may designate from time to time. Point of Sale (POS) transactions involving a refund will be credited to your Primary Account. You may also use the card to pay for purchases from merchants that accept the POS debit card with a VISA symbol. You may use the automated teller machine (ATM) card and personal identification number (PIN) issued to you to initiate transactions at ATMs of ours, ATMs within the networks identified on our card and such other facilities as we may designate from time to time. Unless you specify a different account during Automated Teller Machine (ATM) transactions, your Primary Account number will be used for your transactions. Your Primary Account number and information may be obtained from the Combined ATM/POS/Debit Card Request Form.

Illegal Transactions: You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debit arising out of any illegal or unlawful transaction.

Business Days: For purposes of these electronic funds transfer disclosures, our business days are Monday through Friday. Holidays are not included.

Stop Payments on ATM, POS, or Debit Card Transactions: You may not place a stop payment order on any ATM, POS, or debit card transaction.

Our Liability for Failure to Make Transfers: If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement, we will not be liable if the money in your account is subject to legal process or other claim restricting such transfer.

Personal Identification Number (PIN): The ATM PIN or POS PIN issued to you is for your security purposes. The numbers are confidential and should not be disclosed to third parties or recorded on the card. You are responsible for safekeeping your PIN(s). You agree not to disclose or otherwise make your ATM PIN or POS PIN available to anyone not authorized to sign on your accounts.

Notices: All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when received by us at the telephone number or the address specified in the Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your account and any future changes to those regulations.

Enforcement: In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Termination of ATM and POS Services: You agree that we may terminate this Agreement and your use of the ATM Card or POS services, if:

- You or any authorized user of your ATM PIN or POS card or PIN breach this or any other agreement with us;
- We have reason to believe that there has been an unauthorized use of your ATM PIN or POS card or PIN;
- We notify you or any other party to your account that we have cancelled or will cancel this Agreement. You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

Other Provisions: There may be delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission. Also, if you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days if involving a Visa® point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if involving a Visa point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new customer.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.
