## SBA Borrower Spotlight:

In 2018, Katazoom owner Tom Hyll was looking to purchase a building to house his expanding company. After some time he was able to locate a suitable site where he could build a facility to meet his business needs. With the help of professionals on Countybank’s SBA team, Hyll was able to secure an SBA 7(a) loan, allowing him to move forward with the expansion.

Katazoom is one of the premier vehicle wrap providers in the Upstate, located in Greer since 2010. In addition to their extensive line of car, truck, van, trailer, and boat wraps, Katazoom offers wall murals, window graphics, and a variety of other customized imaging solutions.

“Countybank’s SBA team has been an instrumental partner throughout my business’ growth,” says Hyll. “Katazoom is also geared toward helping businesses meet their goals. Please don’t hesitate to reach out if Katazoom can help you and your business with its vehicle wrap or signage needs.”
